

PRE TEAM AUDITION + PROGRAM GUIDELINES

What to Expect at Auditions

Auditions will be run as a fun, low-pressure class. Dancers will learn basic technique and a short combination.

We are looking for:

- Positive attitude
- Ability to follow directions
- Coordination & musicality
- Confidence and willingness to try

No prior competition experience is required.

Program Overview

Our Pre Team is designed for dancers ages 4–6 who are ready for more structured training in a supportive, team-focused environment. Dancers will build confidence, technique, and performance skills while still keeping dance fun and age-appropriate.

Time Commitment

- Typically 1–2 nights per week
 - Weekly team class + rehearsal
 - Additional classes (ballet/jazz recommended for growth)
-

Performances & Competitions

- 2–3 regional competitions (local/driving distance)
 - End-of-season recital performance
 - Additional performance opportunities may be offered
-

Team Expectations

We are looking for dancers and families who are:

- Committed and reliable
- Positive and respectful
- Supportive of teammates and staff
- Open to learning and growing

Attendance is important for team success. Consistent absences may affect placement and participation.

Placement

Team placement is based on what will best support each dancer's growth, confidence, and overall experience. Our goal is to set every dancer up for success 💙

Families will be notified of placement via email.

Important to Know

Joining Pre Team is a commitment for the full season (Sept-May). This includes classes, rehearsals, performances, and competitions. We encourage families to be sure this schedule works before accepting a team placement.

Our goal is to create confident, happy dancers who love being part of a team while continuing to grow each season.
