

Prestige Dance Center Competition Team Guidelines

The Prestige Dance Center competition team is a competitive dance team designed for the dancer who is highly motivated in the performing arts. We are thrilled you are ready to take your dancing to the next level with our award winning competition team. Here at Prestige, we emphasize the importance of dance education, team work, growth, and FUN!

Our competition team provides these young dancers with performance opportunities such as regional/national competitions, and conventions where they will train and take classes with some of the dance industry's top teachers and choreographers.

The PDC Competition Team also provides these young dancers with team bonding opportunities, big/little sister mentors, and the opportunity to perform with other dancers and receive feedback from the industry's best teachers and judges.

Our dancers will learn problem-solving, collaboration, accountability, self-discipline, humility, grace, confidence, time management, networking, how to take constructive criticism, working towards a goal, a growth mindset, the power of a positive attitude, and the value of hard work in everyday life.

Students will gain the technique they need to compete at an advanced level through concentrated training in Ballet, Lyrical, Jazz, Contemporary, Hip Hop, Tap, Acro/Tumbling, Musical Theatre and Stretch/Technique classes. It is important to understand that the more training a student receives at Prestige Dance Center, the stronger dancer they will become!

Those selected for our team will possess or have potential to possess the following:

TEAMS INFO & REQUIREMENTS

Competition Team : Ages 5-18

Ages 5-7 are required to participate in 2 group dances

Ages 8-18 are required to participate in 3 group dances

It is strongly advised to be taking all genres of dance to obtain a well rounded, versatile group of strong dancers. Although we appreciate and expect our competitive team dancers to prioritize his/her dance team, we understand some young dancers are still experimenting with other sports and may not be able to attend every class offered, which is the reason we list the minimum your child must be taking to compete on the team (shown below). Dancers at this level will be required to participate in 2-4 group dances and then will be hand selected for additional groups based on age and ability. Routine level at competitions is at the discretion of Ms. Emily & Ms. Sydney. These decisions are always in the best interest of the dancer.

Please ask Emily or Sydney for class suggestions if you are limiting your child's number of classes and are unsure which would be most beneficial for your dancer.

GUIDELINES FOR REQUIRED CLASSES / ATTENDANCE

When it comes to school and family activities you will find Prestige Dance Center to be very accommodating and flexible. However, by accepting placement in this program, you have agreed that this is a **priority** in your schedule. Please consider conflicts with outside activities before committing to the team. It is important to understand your absences can negatively affect the entire team, not just you. If we feel a dancer is not taking their attendance/team seriously, Ms. Samantha and Ms. Emily reserves the right to remove any dancer from a group routine, performance, revoke solo privileges, and/or the team as a whole.

Dancers should do their best to attend all classes. Every attempt should be made to attend make-up classes when absences cannot be avoided. The studio should be notified ahead of time if a dancer will be missing class.

It is mandatory to be in all classes the week of a competition. This includes nationals. Failure to attend mandatory rehearsals and classes will result in ineligibility to perform your solo in the upcoming performance/competition.

Dancers may only miss up to 5 unexcused team rehearsals to be eligible to compete. Unexcused absences consist of anything other than illness.

Sick dancers must make an effort to learn what they missed in rehearsal.

For any/all major conflicts with required rehearsals and/or classes please know special circumstances will be considered at the discretion of Ms. Emily. (ie. SAT's, ACT's, family weddings, confirmation/religious events, funerals etc.) We should be notified of any major rehearsal/team conflicts ASAP. **Communication is key!**

Dancers must FULLY attend all scheduled competitions and conventions. Competitions are primarily Friday evenings, Saturday and/or Sunday. In the unlikely (but possible) event dancers compete on a Friday morning/afternoon, dancers must be willing to miss school to compete in group routines. If a dancer is seriously injured and cannot dance, he/she is still expected to attend all rehearsals and competitions with his/her team to support.

FINANCIAL COMMITMENT

We understand competing can be a huge expense, especially for families with more than one competing dancer. We do our best to provide our families with all fees and due dates in advance so they can plan and budget accordingly. Please consider the many expenses before committing to the team such as competition entry fees, team fees, prestige performer pack (for first time team members ONLY which includes dance bag & team jacket), costumes/shoes, hotels/traveling fees, tuition/workshops, solo/duo/trio fees etc. By committing to the team, you are agreeing to make all required payments by their required due date. If you fail to meet the required competition payment due dates and you have not come to us to discuss, late fees will apply and the dancer will not be entered in any competitions. Because it is so crucial for us to place all of our costume orders and make competition payments on time, we cannot make any exceptions to this rule. We are more than happy to set up a payment arrangement to ensure you can meet these dates if necessary.

PDC fundraising is a great way for our dancers and parents to raise money to cover competition team fees & more! Our wonderful PDC Boosters organize all of our team fundraising. The fundraising information will be available to all competing families.

If a dancer/parent is removed from team and/or the studio or leaves the team/studio for any reason at any time during the dance season, team fees will NOT be refunded. A fee of \$150 per routine will be charged to your account to cover the additional rehearsals necessary to re-choreograph and re-block all of your dancers group dances.

COMPETITION GUIDELINES

All dancers are required to be DRESSED AND READY at the competition venue at least 90-120 MINUTES prior to their performance time.

Example: Dancers scheduled performance time: 5:00pm.

3:30pm: Dancer must be in designated meeting area with all makeup & costume pieces on with her hair ready and properly warmed up

specific call times will be sent out by Ms. Emily a week before competition

This rule is crucial to a successful competition day. Competitions tend to run ahead and we must be ready in the event we are called to perform earlier than our scheduled performance time. This also allows time for Emily & Sydney to properly warm up dancers and rehearse each routine.

Dancers should ALWAYS begin a full warm up (including conditioning and stretching) on their own in order to perform their best. This is why we advise dancers to arrive 2-3 hours before performance time so they are not rushed to get ready and/or stretch. Emily and Sydney have the right to not allow any dancer on stage the day of

competition if we feel they are not taking their position as a teammate seriously (ie not stretching/warming up properly, not focused, unprepared etc.)

If a dancer misses their performance time, we will send our dances on stage without them. The competition will not wait for us!

All dancers are required to attend their designated award ceremony and receive their award(s) at each competition! All dancers must be in PDC team jacket and/or PDC attire for awards. We would also appreciate all dancers to look neat & professional at the time of awards. No chewing gum, no jeans, messy hair, etc.

Should a dancer receive a scholarship award(s) to a competition/convention while competing with Prestige Dance Center and choose to leave our studio, said scholarships will not be released to that dancer for use at another studio.

PDC approaches competition with a few things in mind:

Educational Opportunity- competition against the finest teams allows our teachers and students the opportunity to “see what is out there” and grow from there.

Pre-Professional Opportunity- students who wish to pursue the professional world of dance have an opportunity to grow and develop their performance skills through competition.

Fun Family Activity- Prestige Dance Center wants to attend competitions that are fun for the whole family. Students learn team-building skills, performing arts skills, and develop self- confidence that will last a lifetime. Having fun is the number one priority for this program.

Parent Roles:

Prestige Dance Center is a drama free zone! Parents are expected to be supportive, respectful and courteous **to all team members and their families** at all times. This studio will not tolerate rudeness, jealousy, and disrespect to another team member, their family, a teacher, or the director. Your role is the following:

Lift/Support all of our children Teach your child that there is always going to be someone out there better than they are Win or Lose, **Teach your child to be**

happy for others especially their own teammates Give a hand to those who may be behind or struggling Stand firmly behind the teaching staff especially in front of your child.

The most successful children are those whose parents support their teachers and coaches 100%. These are the ones who do not bad mouth or question a teacher or coach in front of their children, and they are certainly the ones who are realistic about their children and their place on a team. We all want our children to succeed, but success is not measured by the trophy a child brought home, or by the row in which they stand on stage, or by how many pirouettes they can do. Instead, it is measured by the effort that they put forth. If they give all they've got to give, what more can anyone ever expect? If you ever have questions or concerns, please contact Ms. Emily or the front desk. They will be addressed.

Teaching is our utmost passion and we can't imagine doing anything else. Thank you for trusting us and giving us the opportunity to work with your children. We take our job very seriously. Your child's success and passion for dance is our priority. Making decisions regarding placement on the Prestige Dance Center Competition Team and in the many routines that we produce is a long, difficult, and well thought out process. No child is ever "held back," but instead, encouraged to set goals and work hard to develop their skills. It is our goal to help each child reach their fullest potential!
