

PRESTIGE DANCE CENTER DRESS CODE

2024-2025

Dance involves discipline, respect, focus, and hard work. Showing respect for our art in conduct as well as a dress code helps foster the required discipline it takes to learn a classical art. Uniformity limits distractions and allows students to focus and concentrate on learning new skills. These are reasons why we will continue to enforce a dress code for our classes. The dress code is designed to help students perform better and see themselves as a cohesive unit. Please call or visit NKY Dancewear to place your dance attire/shoe orders! Just let them know your dancer is taking class at PDC and they will provide you with the exact style number/brand of shoes needed!
